SUBJECT: BLUE LANTERN LEVEL 3: PRE-LICENSE END-USE CHECK
ON APPLICATION 050095047

REF: 2006 BLUE LANTERN GUIDEBOOK

11. This is an Action Request. See paragraphs 2-4.

12. The Department's Office of Defense Trade Controls Compliance (PM/DTCC) requests post's assistance in conducting a pre-license check on application 050095047 for the export of F-18 spare parts to Finland via Sweden. Post is requested to complete this Blue Lantern check within 30 days. Lack of response to a Blue Lantern check will affect pending and future licenses involving parties to this license.

13. Reason for request: Nomo Kullager AB, unfamiliar foreign consignee.

14. ACTION: Embassy is requested to make inquiries with appropriate Nomo Kullager AB (Kullager) officials to determine if it has ordered items listed in paragraph 5 below and plans to use them for the purpose stated on the license. Department requests that Embassy conduct a site visit to Kullager in order to provide an assessment of its business operations, on-site security, and general reliability as a recipient of United States Munitions List (USML) items. POC is Annmarie Pettersson, TEL: 46-0-8-630-28-00, reference Purchase Order # 604711 dated March 12, 2008. The following questions are offered as suggested guidance with Kullager:

-- Can Kullager provide documentation (e.g. copy of contract, purchase order, or letter of intent) verifying that the Finnish Air Force is the final end user of the items?

-- What is Kullager's exact role in this transaction (e.g. parts purchaser, maintenance and overhaul, etc.)?

-- Who are Kullager's main clients?

-- Does the company understand the restrictions on USML articles, particularly regarding re-export and retransfer?

If a site visit is not possible, please inform PM/DTCC case officer. End action.
